

HOSPITALITY

Autumn Winter 2025

KEY INFORMATION

Lexington would like to welcome you to the hospitality services at the London Business School.

This document contains all the information you need about hospitality for meeting rooms, dining rooms and events.

Bookings

Once you have booked your meeting or dining room with space management, please contact the Catering Team at cateringevents@london.edu quoting your six digit reference number or, if you wish to discuss any hospitality requirements or need assistance with the booking, please contact us directly on: 020 7000 7882

For out of hours contact, please call the Duty Manager on 07706295968. Our office hours are Monday to Friday, 8:00am to 5:00pm.

When booking, please discuss the menu suitability for your chosen venue and any special dietary requirements that you may have. Please be aware that certain restrictions apply to the service of food and beverage depending on venue.

We require the following minimum notice for catering arrangements:

- **24 hours' notice for meeting room beverages.**
- **48 hours' notice for cold hospitality food e.g. sandwich lunch and 24 hours for final numbers adjustment.**
- **72 hours' notice for canapés functions.**
- **One week for events and 72 hours' notice for finalised numbers.**

The following times are based on our office hours, as per above.

A discretionary charge will be made in the event of late cancellation of bookings. Minimum cancellation notice for beverages is 24 hours and for hot and cold food is 48 hours. Please be aware that all notice times are based on normal hospitality office working hours and do not include weekends. We will always do our utmost to accommodate requests at short notice and ask that you telephone Catering Events directly on 020 7000 7882 between 8:00am and 5:00pm, or the Duty Manager on 07706295968 outside of office hours.

Dietary information

Please note of the dietary information presented in this document:

KEY INFORMATION

Dietary requirements

Please note that all food is produced on site, therefore you must note with the Catering Events teams any allergens or intolerances ahead of the booking.

COMMON ALLERGENS - We do always ensure we have information on hand for the 14 legal allergens (Gluten, Peanut, Tree nuts, Celery, Mustard, Eggs, Milk, Sesame, Fish, Crustaceans, Molluscs, Soya, Sulphites and Lupin). We do also try to accommodate all intolerances, allergies and different diets. For people with specific diets please note the items which need to be checked with the guest. Please note additional charges may apply.

KOSHER OR STRICTLY KOSHER - We will outsource to Hermolis for strict kosher diets at additional charge. Halal - We can accommodate most bookings with halal meat options or a vegetarian alternative.

VEGETARIAN, VEGAN AND PESCATARIAN - On most menus you will always have a vegetarian and pescatarian option. Please do inform us on the numbers of guests with this dietary requirement so we can increase choice if necessary.

During your event if you have any queries please ask a member of the catering team or the on site Duty Manager of the day to clarify.

Sustainability

We use plants not plastic on campus we are committed to creating a greener future, by using Vegware disposables on campus.

Using compostable and biodegradable products made from plant-based materials. These products include packaging, utensils, and containers that are designed to replace conventional plastic options, helping to reduce the environmental impact of single use items. Vegware's items are certified compostable, meaning they can break down naturally in composting facilities.

We all have a responsibility to help reduce food waste. Our catering team plays a critical role in this, and within food production reduces waste through using the whole of a product, avoiding unnecessary waste from trimmings, and using inventory management to avoid waste. We also repurpose food, an example is turning our sandwich bread crusts into croutons and turning unused bananas in banana power bread.

You can play your part and reduce food waste on campus with these top tips:

- When organising an event, ensure you have confirmed your guest list numbers and let the team know if there are any changes.
- Ensure you have the right food for your guests – double check if they have any dietary needs in advance.
- Speak to catering about reducing food waste by using chef choice menus and allowing event attendees to take-home leftovers at the end of your even

HOW TO BOOK

HOSPITALITY ROOM GUIDANCE

Room set up

Here are several different room setups that can be used for events, each with its own unique benefits.

The theatre style setup is great for presentations and training sessions, with chairs all facing the front of the room.

On the other hand, the cabaret setup is perfect for small group discussions, as it features round tables with chairs around the perimeter, leaving space in the middle.

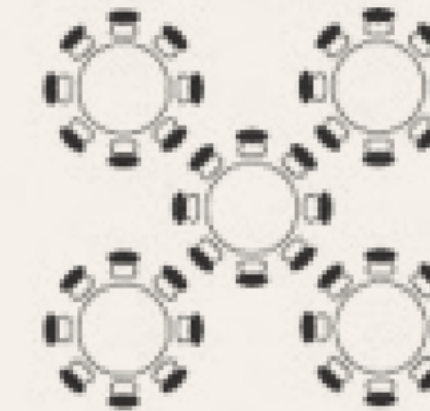

Finally, the cocktail party setup is ideal for networking events and social gatherings, with high tables and standing room to encourage mingling and conversation.

PLEASE CHECK THE SPACE POLICY FOR EACH ON CAMPUS
